

# GIRISH PALUKURU

## OBJECTIVE

Passionately seeking a challenging position to utilize my skills and continually learn new technologies which will enable me to have job satisfaction and achieving personal as well as organizational goals.

## EXPERIENCE

### Java Full Stack Web Developer in TAP Academy

2022 - 2023

During my training at Tap Academy, I gained proficiency in Core and Advanced Java, including Servlets, JSP, MySQL, JDBC, Hibernate, Spring, HTML, CSS, and Springboot. This well- rounded training prepared me to effectively build dynamic web applications.

## EDUCATION

### NBKR institute of science and technology

2022

BTech(ME)  
8.49

### Government polytechnic Atmakur

2019

Diploma  
82.15%

### Sri Chaitanya E.M High school

2016

SSC  
82%

## PROJECTS

### Online Book Store

Developed an online bookstore application to provide customer with a convenient platform to manage, buy, add, remove, and sell books. The project aimed to create an intuitive and responsive e-commerce experience for book enthusiasts.

Technologies: Java, JDBC, Servlets, MySQL, HTML, CSS.

### Design and analysis of crane hook using SolidWorks

To find the optimum material among the three materials i.e., Stainless Steel, High Speed Steel, Gray Cast Iron by doing analysis in SolidWorks.

## INTERESTS

Exploring new places.

Data structure and Algorithms

Actively participating in coding platform like CodeChef and HackerRank
